

INFORMATION SESSION FOR PATIENTS

Understanding Diabetes

We invited a Diabetes Nurse Consultant and a mum of a child with diabetes to talk about

- . how diabetes affects our bodies,**
- . how diabetes is treated,**
- . how to prevent diabetes**
- . the effects of diabetes on family**

13th of November 2019
Pickering Hall, Hallfield Estate, W2 6HF
6:00pm – 7:30pm

**Brought to you by the
Garway Medical Practice Patient Group**

WE ARE PATIENTS JUST LIKE YOU

We work with practice staff to improve services for our practice patients. We meet 5 times a year to discuss patients feedback and what can be done to improve patients' experience.

Examples of our work in the past year—we have:

- ◆ Ensured that our GP practice have a female GP
- ◆ Organised free information sessions for patients about *Managing Medication* and *Health Promotion*
- ◆ Installed flower planters at the front of the building
- ◆ Contributed regular health articles to SEBRA magazine

JOIN US

We would be delighted if you could join us at our meetings, share your skills, experience and ideas.

If you have time, you may wish to get more involved by managing our online communications, by organising events for practice patients or by taking and distributing minutes.

Join us online on practice website:

<https://garwaymedical.nhs.uk>

or ask reception staff to sign you up
